January Vacation Care Wrap Up

Over the Christmas/New Year Vacation Care, we embarked on an extraordinary journey, weaving through diverse themes and activities that ignited the imaginations and energy of the children. Here are some highlights that truly stood out and made this period unforgettable.

We kicked off with a time-travel adventure in Middle Ages Madness, where our little warriors explored medieval life through activities like potion crafting and pool noodle jousting, complemented by a captivating incursion by the Abbey Museum team.

Our Super Sports Day was a showcase of athleticism and creativity, as the kids dove into the pool, played soccer, and even designed their own jerseys and medals. Their sportsmanship was as bright as their smiles.

Digital creativity took centre stage in our Dare to be Digital day. From composing digital music to engaging in a mega e-sports tournament and designing video games, the children embraced technology with enthusiasm and imagination.

January Vacation Care Wrap Up

The adventure continued with an Alien-themed day, where space exploration and intergalactic activities like Laser Tag, an Alien Technology Scavenger Hunt, and a Star Wars movie screening took the excitement to new heights.

Nature was our guide during our Wild Animal Exploration. Animal Races, a nature documentary, bird watching, and a reptile show incursion brought the wonders of the natural world right to our doorstep.

Our Kites, Bollywood, and Adventure Park day was a whirlwind of diverse experiences. From flying kites and learning Bollywood dance to honing archery skills and exploring Brisbane's adventure park, it was a day packed with dynamic activities.

We also took a nostalgic turn with classic games and creative engineering, where our kids enjoyed Parachute Games, Pokémon, Mini Golf, and a Meccano Free Build, tapping into both their playful spirits and their innovative minds.

Our splash-tastic water adventures rounded off the three weeks perfectly. From crafting sea creatures to water slides and raft challenges, it was a delightful way to cool off and have fun.

Each day was a unique blend of physical activities, creative projects, and educational experiences, highlighting the enthusiasm, creativity, and teamwork of the children. This Vacation Care at WKC has been a truly magical experience, and we eagerly anticipate more fun and learning in the future.
