Children's Week 2023

Beginning October 21 all the way through to October 29, 2023, Children's Week is a heartfelt celebration of every child's right to a happy and fulfilling childhood.

Organised with love and care by Children's Rights Australia, this annual event serves as a reminder to acknowledge and applaud the unique talents, skills, and boundless potential that each child possesses.

The Children's Week National Theme for 2023 is based on UNCRC Article 31: Children have the right to relax, play and take part in activities they enjoy. There's lots of awesome resources on their website for everyone to check out. Link to website: <https://childrens-week.org.au/>

Together, let's nurture a world where every child's rights are safeguarded, and their dreams are supported.

Day for Daniel - Child Protection at WKC

Today, we're teaming up with Wilston State School to wear red and raise awareness for child protection. Day for Daniel remains Australia's largest child safety awareness and education day.

The Daniel Morcombe Foundation continues its pivotal role in educating all children about personal safety. At Wilston Kids Care, your child's safety is our top priority. As advocates for children, we're steadfast in our commitment to educate both children and families about the essential concepts of child safety.

Let's stand together for the safety and wellbeing of the children.
