Containers or Change

Did you know we have a Containers for Change program Wilston Kids Care?

As part of our sustainability commitment, we collect all eligible containers here at WKC, such as soft drink cans, plastic water bottles, juice poppers and up & go boxes. By recycling, we can make a difference in reducing waste and preserving our planet. Plus, your recycling efforts can also serve as a source of funding that will be going into the revitalizing of our community garden!

Our Containers for Change branded bins are located on the Wilston Kids Care stage area and in the WKC Community Garden area. Don't attend Wilston Kids Care? Don't worry, You can still contribute! Anyone can add to these bins even if you don't attend Wilston Kids Care. We want this to be a community initiative that supports our community garden, for produce everyone in the school community can enjoy.

ANZAC Day

ANZAC Day, 25 April, is one of Australia's most important national occasions. It marks the anniversary of the first major military action fought by Australian and New Zealand forces during the First World War.

ANZAC Day is a National Day of Remembrance in Australia and New Zealand, commemorating the soldiers of the Australian and New Zealand Army Corps (ANZAC) who fought in World War.

This day Honors the bravery and sacrifice of those who served and died in military conflicts. ANZAC Day typically involves dawn services, marches, and ceremonies, where people pay their respects by laying wreaths and observing moments of silence.

It serves as a reminder of the ANZAC spirit - qualities of courage, mateship, and resilience - and holds significance in both countries, histories, and cultures.

Lest We Forget.
