Employee Wellbeing at Wilston Kids Care

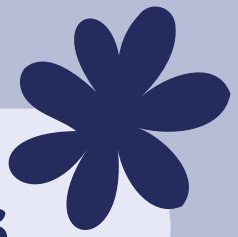

At Wilston Kids Care, as an education and care facility, the health, safety, and wellbeing of our staff are paramount. Several members of our team took the proactive step of receiving their annual flu vaccinations. As part of our ongoing commitment to employee wellbeing, we provide our team with the opportunity to receive a complimentary flu shot each year, helping to protect them against the seasonal flu. This initiative is carried out in collaboration with the Terry White Chemmart Workplace Flu Vaccination Program.

As we engage closely with children and the community every day, maintaining the health and happiness of our staff is paramount to us. Providing an opportunity to get the annual flu vaccination for our employees not only benefits the team, but also promotes improved health and safety outcomes for everyone involved.

Lego Club!

Lego Club Mystery Box Challenge!

This week in Lego Club our young builders embarked on an exciting adventure with a Mystery Box Challenge!

A challenge carefully crafted to test and challenge young minds. Each team received a small box filled with assorted Lego pieces with a mission to craft anything they could imagine in just 45 Minutes.

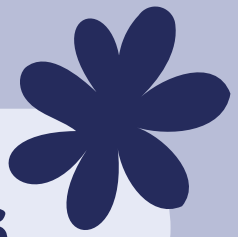

With themes ranging from towering volcanoes to bustling cityscapes, sleek cars, and cozy houses. It was a whirlwind of imagination and innovation! Every participant had the opportunity to vote for their favourite creation, and the tension mounted as the results were tallied. Finally, a well-deserved winner was crowned amidst cheers and applause.

If you have any questions about this club or any of the other clubs that are available at Wilston Kids Care please don't hesitate to have a chat with our Club Liaison, Educator David, or any of the education team.
