## XPLOR LEARNING STORIES

Did you know that Wilston Kids Care uses the Xplor Home app to share your child's learning progress with you. Learning stories are posted daily and are tagged with your child's name, so you can easily find them.

Our learning stories are a great way for you to stay up to date with what your child is learning at our service. You'll get a glimpse into the activities they are participating in, the skills they are developing, and the friendships they are forming.

We believe that sharing these learning stories with you will help you to be more involved in your child's learning journey and allow you to have meaningful conversations with them about their experiences at our service.

To access the stories simply open the Xplor app and select the -Learning- tab located at the bottom left of the screen. Feel free to leave a comment on your child's learning as that is a great way to ensure your involvement in our Program.

## Dates for your Diary

- **14 May:** Mother's Day
- **15 May:** International Day of Families
- **20 May:** World Bee Day

## Pay it Forward Day

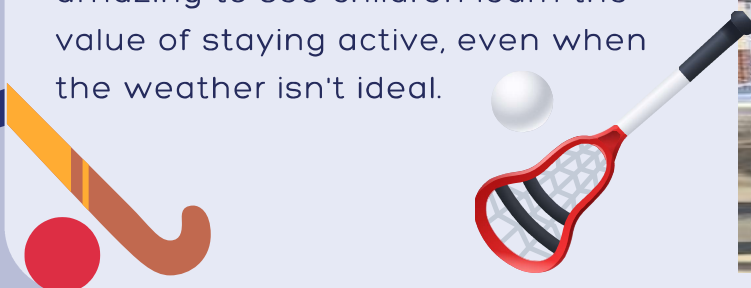

Last Friday was Pay it Forward Day, and our children eagerly got involved in the spirit of giving. They spent the afternoon crafting compliment chatterboxes and kindness fortune cookies, spreading love and positivity wherever they went. We are so proud of their creativity and enthusiasm for spreading kindness and love. Seeing the children learn about the importance of being kind and making a difference in the world.

## Before School Care – Lacrockey!

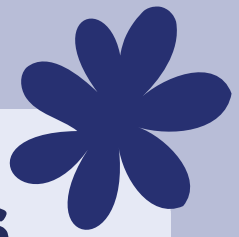

It was a chilly morning at Before School Care on Tuesday. The children warmed up by playing a lively game of lacrockey (a blend of hockey and lacrosse).

The children ran around, laughing, and having a blast while staying warm through physical activity. It's amazing to see children learn the value of staying active, even when the weather isn't ideal.

## Learning through Play

We've had a jam-packed week so far during our after-school care program, with lots of exciting activities that have kept the children engaged and learning through play.

The younger children had the opportunity to explore the natural world around them through a variety of nature play activities. On Junior Playground the children tried to recreate, through drawing, the different types of nature they found within their play environment.

Over in the top sandpit, our budding palaeontologists had a blast digging for fossils and learning about different types of dinosaurs. This was a spontaneous activity that was created based on the children's interests.

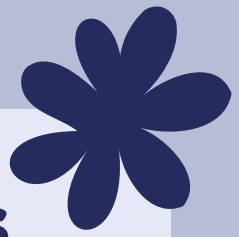

Shield Ball, one of our newly created games, here at WKC! It's a combination of dodgeball and baseball, and it's been a huge hit with the children in the afternoon session! By working together to come up with the rules and strategies for the game, the children were able to develop their teamwork, communication, and leadership skills.

Our after-school care program is dedicated to providing engaging activities that foster a love of learning through play. From nature play and dinosaur fossil hunting to creating new and fun games, we encourage the children to explore their interests and build important skills like problem-solving, communication, and teamwork.

## Enrolments

We wanted to provide you with an update regarding enrolments for our Before and After School Care Program at Wilston Kids Care. We are pleased to inform you that do have positions available and are actively accepting new enrolments. Our program continues to offer high-quality care, providing a range of activities that promote learning, social interaction, and physical activity. We are committed to creating a safe and nurturing environment for your children, especially during those crucial hours before and after school.

Our Before and After School Care Program is available every day, and we offer a range of flexible booking options to suit your family's needs. Whether you require care for one day a week or every day, we can provide the support and care your children need to thrive. We also offer a range of excursions and special events throughout the year, as well as inclusive clubs (free of charge) providing your children with unique and exciting experiences.

Enrolling your child in our Before and After School Care program is easy. Simply visit our [website](#) or contact us directly to secure your child's spot. We look forward to welcoming your child into our care and providing them with a safe, supportive, and stimulating environment.

If you have any questions or would like to enrol your child, please do not hesitate to contact us.
